

Aussie Bush Christmas

Possum Music presents

featuring **Ricky Possum**

A great Australian show that will delight all children.

Come and join Ricky as she goes to visit Grandad on the farm for Christmas. It's Ricky's job every year to hand out the presents to the animals on the farm but this year something's happened. The presents have disappeared from under the windmill!!! Who has taken them? Where could they be?

Come and help Ricky follow the clues to find the missing presents and celebrate Christmas with Grandad and his team of farm and native animals. This show includes a number of Christmas carols that the kids can help Ricky and the animals sing, as well as our Possum Music classics.

It celebrates the joy of Christmas and the importance of giving at this special time of year.

A great show for an end of year function that will leave both the kids and the adults immersed in the Christmas and holiday spirit.

The show is perfect for:

- Schools
- Festivals
- Kids Parties
- Daycare Centres
- Fetes
- Country Shows
- Playgroups
- Libraries
- Fundraisers

A well established performer, Ricky has a delightful stage presence which children find irresistible. Like the Pied Piper, she has a terrific ability to connect with the children and really draw them into the moment.
